

We Need To Play

Envisioning a Sustainable Winona Through a Child's Eyes

We need to play,
so let us go to the park.

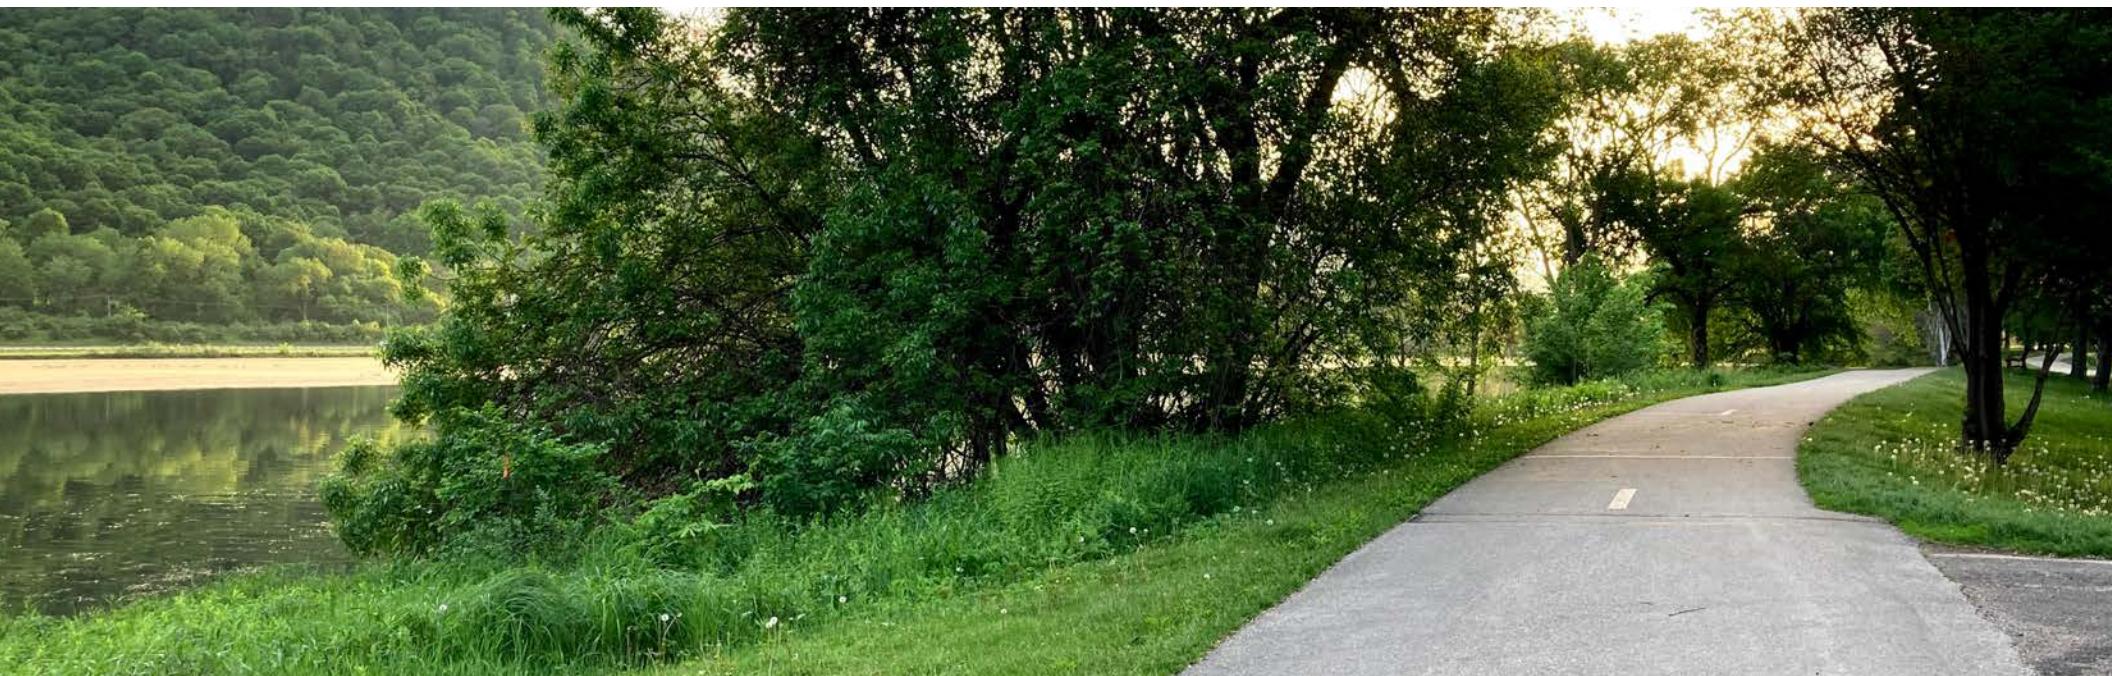

We need to go
to the park,

so let us ride our bikes.

We need to ride
our bikes,

so let us take the safe path around the lake.

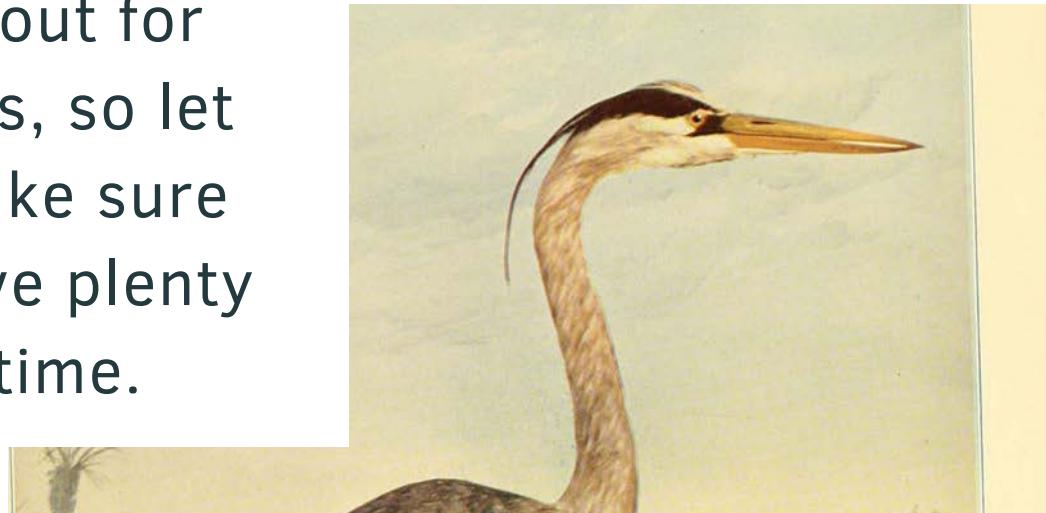

We need to go
to the lake, so
let us look out
for herons.

We need to
look out for
herons, so let
us make sure
we have plenty
of time.

We have plenty of time, so let us eat a healthy snack...

...or a donut.

We need a
healthy
snack,

so let us go to the garden.

We need to
go home
now,

so let us say goodbye to our friends.

We all need to have
friends, so let us be
sure to care.

We need to care for one another, so let us do it together.
