This application is required for any proposed development or land disturbance on a property which contains floodplain areas.

A \$240.00 fee is required if this application is standalone and not associated with another zoning application for which a fee is required.

The following information must be provided with this application:

- 1) Plans drawn to scale, showing the nature, location, dimensions, and elevations of the lot**
- 2) Existing or proposed structures, fill, or storage of materials**
- 3) Location of development or land disturbance in relation to the floodplain**

Notification will be sent within 15 business days if more information is required to declare the application complete.

This application must be approved prior to issuance of a building permit.

Signature of Applicant

Signature of Land Owner
(If different from applicant)
